Email: cneapole@cwta.ca

The Structure Tower and Antenna Council (STAC) is administered by the Canadian Wireless Telecommunications Association (CWTA). Companies that join STAC also gain the credentials and privileges of a CWTA Associate, as defined in the association's bylaws.

Associates shall be limited to persons¹ who (a) are qualified to become Members; (b) do not wish to become Members; and (c) have applied to the Board of Directors to become, and who have been accepted by the Board of Directors as, Associates of the Corporation.

¹ Person includes a corporation, a subsidiary or division thereof, a partnership, joint venture, an individual or other entity as the context may require.
